2025-2026 Annual Report

Summary

ID: 0000000073

Status: Annual Report Submission

Entry 1 – School Information and Cover Page

Completed - Jul 1 2026

Instructions

Required of ALL Charter Schools

Each Annual Report begins with a completed School Information and Cover Page. The information is collected in a survey format within the Annual Report Portal. When entering information in the portal, some of the following items may not appear, depending on your authorizer and/or your responses to related items.

Entry 1 – School Information and Cover Page

(New schools that were not open for instruction for the 2025-2026 school year are not required to complete or submit an annual report this year).

Please be advised that you will need to complete this cover page (including signatures) before all of the other tasks assigned to you by your school's authorizer are visible on your task page. While completing this cover page task, please ensure that you select the correct authorizer (**as of June 30, 2026**) or you may not be assigned the correct tasks.

g. Approved School Mission

(Regents, NYCDOE, and Buffalo BOE-authorized schools only)

Classical Charter Schools prepares K-8 grade scholars in the South Bronx to excel in college preparatory high schools. Through a classical curriculum and highly structured setting, students become liberated scholars and citizens of impeccable character who achieve proficiency in and advanced mastery of New York State's Performance Standards.

h. Approved Key Design Elements

(Regents, NYCDOE, and Buffalo BOE-authorized schools only)

Classical Framework: We strongly believe that our school model best meets the needs of all students in our target population. The key components of a classical education in the early years focus on a core curriculum, the development of strong literacy and numeracy skills, knowledge, and understanding of elementary facts, with less emphasis on “higher level” thinking, until later grades. In all grades, our scholars develop core knowledge in the basic subjects of reading, writing, math, science, and history. Subjects are taught directly and sequentially, as clearly elucidated in the Common Core State Standards, so scholars can master skills and content each step of the way. Within this classical framework, SBCCS provides an educational program firmly based on two principles:

All children can achieve academic success when given a rigorous and organized curriculum, effective teaching, and a structured environment.

Development of respectful, compassionate, productive citizens is a fundamental aim of education.

Rigorous and Organized Curriculum: We believe that an organized, clear, and sequential curriculum, fully aligned with the Common Core and New York State Learning Standards, focused on ensuring strong literacy skills in all students, will best serve the educational needs of our target population.

Our mission endeavors to prepare its scholars to “achieve proficiency in and advanced mastery of New York State performance standards.” SBCCS has a rigorous, sequential and modular standards-based curriculum, where the standards are embedded in the unit plans, lesson plans, assessments, and even assessment data. Our curricular philosophy is to create and constantly improve upon standard-based scopes and sequences, cohesive and interrelated unit plans, and detailed and flexible lesson plans, all in an organized format for all subjects and grades. New York State Learning standards dictate what we must teach and what the scholars must master to be promoted to the next grade, and the alignment across the curriculum gives us clear and measurable data from which we can measure scholar achievement.

Effective Teaching: The recruitment, development, and retention of effective teachers is critical to high scholar achievement. Effective teachers manage their classroom, know their content, develop skills sequentially over time, use data strategically to inform their instruction, and do whatever it takes to maximize impact. There is no single “recruiting season”, and developing successful connections to specific candidates requires a continuous effort and targeted approach. SBCCS recruits teachers from a variety of sources, including utilizing its own ClassiCorps Fellowship, critical networking with such organizations as TeachforAmerica, New Leaders for New Schools, strategic website postings, professional job fairs, and out reach to selective businesses and industries. Similarly, teacher development is also a continuous process. Through summer orientation, weekly grade meetings, monthly school wide meetings, and ongoing individual sessions, teachers benefit from over 100 hours of Professional

Development annually. To attract and retain the strongest teachers, salaries will be 5% to 10% higher than those of teachers in New York City's Extended Time Schools.

Structured Environment: Within a disciplined environment, teachers can teach, and all scholars can learn. SBCCS fosters positive student behavior through modeling, explicit behavioral instruction, and a transparent set of expectations shared with families at orientations and throughout the year. These rules, detailed in the Code of Conduct, include recognition of the school's core values and clear consequences for infractions.

Development of Respectful, Compassionate, and Productive Citizens: We believe that the development of respectful, compassionate, and productive citizens is a fundamental purpose of education. This is fully consistent with the ideals of classical education. All scholars receive one hour of weekly character education per week. As scholars acclimate to our culture of positive behavior and character, less direct instruction and teacher intervention will be required. All scholars will perform age-appropriate community service based on themes such as the environment and care of senior citizens.

Family Engagement: We value our scholars and our families, which are so critical to our scholars' success. For young children to succeed academically, the school and parents must develop positive and communicative relationships. All families receive regular communication regarding their scholars' academic and behavioral progress, using grades and test scores as benchmarks for discussion. We have a Family Advisory Council (FAC), which serves as a liaison between our parents and administration.

Completed - Jul 1 2026

Instructions

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2025-2026 toward meeting targets to attract and retain the enrollment of students with disabilities (SWD), English language learners (ELL), and students who are economically disadvantaged (ED). In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2026-2027.

Entry 6 – Enrollment and Retention of Special Populations

Good Faith Efforts to Meet Recruitment Targets

| | Describe Recruitment Efforts in 2025-2026 | Describe Recruitment Plans for 2026-2027 |
|----------------------------|--|--|
| Students with Disabilities | <p>To recruit students with disabilities, SBCCS III engages in an aggressive student recruitment plan, which includes:</p> <ol style="list-style-type: none"> 1. All materials in our mass mailings of school information and student applications to nursery schools, Head Starts, and community organizations have Spanish translations and information about the special services we provide. 2. All SBCCS information sessions are held with a Spanish speaking translator. 3. We have attended several student recruitment fairs. At both fairs, a bilingual staff member was present for its entirety. Information about SBCCS IIISpecial Services was also distributed at both fairs. SBCCS III continues to benefit from having Ready, Set, Learn across the street and enrolling the directors' children, which has proven to be transformational for SBCCS III's enrollment pipeline. 4. We distributed flyers at locations all over the South Bronx. All flyers were in both Spanish and English. Beyond flyers, our website has the option to be translated in any language. 5. All paper applications are in both English and Spanish. 6. We gave presentations to local community organizations that serve ELL populations, including East Side Settlements and Community Boards. 7. We contacted and distributed | <p>Classical is making a strong effort to increase its SWD% in 2026-2027 by ensuring information to families is clearly communicated and our services provided are thoroughly explained. When completing enrollment the Director of scholar Services calls all incoming families that have identified that their child has an IEP or is interested in getting an IEP due to concerns. In these conversations we go over the the special education services that Classical provides, how their childs IEP differs from what Clasiscal provides, and get any additional information about their child. Additionally, the Director of Scholar Services reviews all IEPs over the summer to ensure that staff have this information in August. Classical will continue to explore if their staffing model can support ICT instruction, as this has variable results depending on teacher tenure and collaboration in the classroom. In the 2025-2026 school year, SBCCS III enrolled 4 scholars with ICT/12:1:1 settings in their IEP, and 3 of them stayed through the school year. This is a reflection of our dedication to supporting these families and accompanying them through regimented communication. We aim to find families with scholars who have IEPs to take part in our marketing efforts to show families our exceptional outcomes for scholars who have disabilities.</p> |

| | | |
|----------------------------------|--|---|
| | <p>information about SBCCS, in both English and Spanish, to eight local NYCHA housing developments.</p> <p>8. We run Facebook advertisements translated into English, Spanish, and French.</p> <p>9. We mailed information pamphlets and student applications, in both English and Spanish to 12,000 South Bronx residents.</p> | |
| <p>English Language Learners</p> | <p>During the 2025-2026 school year, we maintained our advertising to include Spanish-only marketing efforts (e.g. Especialito) and also took place in fairs within the community that were bilingual charter fairs. We have sustained our commitment to administering the HLQ, offering phone-based support for parents unable to participate in person. To ensure accessibility, all recruitment materials and flyers are available in Spanish, with select items also translated into French. Every information session includes Spanish interpretation, and our website includes a feature that allows users to translate content into over 50 different languages. Additionally, our Operations teams at all four campuses have been trained to assist families in accurately completing and submitting HLQ forms. We contracted the company Underdog Strategies to conduct canvassing and phonebanking as well as run advertisements through Classical's Meta platforms, all of which are bilingual initiatives. We have expanded to provide translations into Twi and Fulfulde in certain instances for our families of West African/Ghanaian origin.</p> | <p>All newly hired Operations team members will receive thorough training on the HLQ procedures prior to distributing or assisting with any questionnaires for families. The Director of Scholar Services delivers a training to the operations team to go over how to complete the HLQ. Additionally a member for the Scholar Services team reviews all completed HLQs to ensure the information is entered correctly. Over the summer the operations teams updates the Home Languages on ATS so that the school can test all needed scholars on the first day of school. The Director of Operations and Director of Scholar Services will work together to oversee this process to ensure that accurate ELL status is reflected in the ELL testing process.</p> |

Economically Disadvantaged

SBCCS remains committed to serving a community where 90% of families face economic hardship, and consistently draws interest from families in Districts 9 and 12 with minimal outreach. Recently, we have intensified our recruitment focus in District 7, especially for our SBCCS II campus. These enhanced efforts include targeted marketing through visits to local daycares, participation in community school events, collaborations with Head Start programs and public housing childcare centers, and outreach through tabling at busy locations across the South Bronx. In 2025-2026, we have extended our canvassing efforts into shelters and temporary housing facilities to support with recruitment. We also help families navigate the documentation process upon registration if they do not have the standard proofs of address due to being in temporary facilities. To support families in District 7, we provide a transportation planning tool that helps them navigate public transit and DOE bus routes for the most convenient access to our schools in the area. Additionally, we continue to rely on the strong relationships we've built with current SBCCS families to help drive recruitment through personal referrals and word-of-mouth promotion. In the 2025-2026 school year, our operations teams conducted recruitment via a monthly recruitment plan such that each operations team member was required to do a recruitment visit weekly, typically along the pre-existing bus routes assigned by the

We plan to broaden our recruitment strategies as we successfully reach our target student population. SBCCS remains dedicated to serving scholars within its core districts and will implement a more robust recruitment approach, increasing our presence and engagement within the community—especially through stronger partnerships with Head Start programs, local daycares, and participation in school fairs. Classical will continue to work with marketing initiatives that can measure their success through direction connections of recruitment efforts turnkeyed to applications. Classical also will have a full-time staff member dedicated to working directly with Classical parents and will be playing a role in leveraging these parents for ongoing recruitment efforts.

Office of Pupil Transportation.
Additionally, we utilized digital marketing strategies that could target their advertising to specific zipcodes. Classical also contracted Underdog Strategies, a student recruitment organization that uses a combination of targeted digital advertising, canvassing, and phone banking to increase applications.

Good Faith Efforts To Meet Retention Targets

| | Describe Retention Efforts in 2025-2026 | Describe Retention Plans for 2026-2027 |
|----------------------------|--|--|
| Students with Disabilities | <p>Scholar Services Team (SST) Referral:</p> <p>The SST referral process allows teachers to put in a referral to the scholar services team for anyone who is continuing to show struggle after teacher level intervention for 6 weeks. The teacher will communicate with the family their concerns and submit a form online. The SST manager at the school site will review the referral and determine if baseline testing is needed for SETSS, Speech, and/ or counseling.. Once SST makes a recommendation and goals, they will work with the scholar for 6 weeks. At the end of the 6 weeks SST will recommend to move back to teacher level intervention, recommend a 504, or recommend a special education evaluation. If SST recommends a special education evaluation through the Committee of Special Education (CSE), SST will continue to work with the scholar until the IEP meeting.</p> <p>Scholars with IEPs leave the Classical Network for one of three reasons: 1) they need more services than Classical provides, 2) scholar was retained in current grade, and 3) they move out of city or state.</p> <p>Classical is supporting scholars with disabilities in the following ways:</p> <ol style="list-style-type: none"> 1. Scholars with IEPs can increase services at any point in the school year through the SST referral process. At the time of the IEP meeting SST and DSS will | <p>SBCCS will continue to reflect upon its support of its At-Risk population, including their families, and improve upon its practices. We will continue to leverage our Director of Scholar Services and Counseling and Speech Team Leaders to ensure scholars and families are well-supported.</p> |

determine if the increase should be recommended at the upcoming IEP meeting. Parents will be informed of any program changes.

2. Classical is committed to having high quality special education services. To ensure that this happens, Classical employs their own Special Education Teachers, Speech and Language Pathologists, and school counselors/ social workers. The curriculum is vetted by instructional coaches for SETSS, and Team Leaders for speech and counseling.

3. The goal of Promotion in Doubt meetings ("PID meetings") is to identify, support, and create accountability for scholars who receive services and are at risk of not being promoted. SST managers and the DSS will co-facilitate PID meetings during TPPMs three (3) times a year (August, December, and March) to collaborate and develop support plans for scholars who receive services and are promotion in doubt. The team will discuss all scholars with IEPs who meet the definition of Promotion in Doubt because their academic data are in the bottom 20th percentile.

As far as identification, the Director of Scholar Services and the SST manager will identify PID scholars by using criteria, based on time of the year. In August, they review the bottom 20% of scholars who were promoted the previous academic year. In December, they identify the bottom 20% of scholars from Trimester 1. In March, they review the bottom 20% of scholars from Trimester 2.

| | | |
|-----------------------------------|--|--|
| <p>English Language Learners</p> | <p>In addition to the above, in August the Scholar Services Team (SST) will test all scholars with ELL testing based on the HLQs conducted by the operations team. Once we have a list of English Language Learners, the Director of Scholar Services (DSS) will update the teachers to ensure they know who in their class is identified as an ELL scholar. All ELL scholars are entitled to testing accommodations of extended time and separate location of no more than 12. If the classroom teacher identifies that an ELL scholar is struggling, they can refer them to SST.</p> | <p>SBCCS will continue to reflect upon its support of its At-Risk population, including their families, and improve upon its practices. We will continue to leverage our Director of Scholar Services and Counseling and Speech Team Leaders to ensure scholars and families are well-supported.</p> |
| <p>Economically Disadvantaged</p> | <p>We know that the retention of our At-Risk population (Economically Disadvantaged, English Language Learners, and Students With Disabilities) is important. At SBCCS, we are committed to supporting all of our scholars to meet the high expectations of our rigorous academic program. Over the past two years, we have taken a more targeted approach to support our scholars with language and learning differences.</p> <p>Beginning in Kindergarten, or when a scholar is identified as a student with a disability or an English Language Learner, we establish a close relationship with the family. This includes regular communication home via home-school logs and phone calls, as well as meetings with the team of educators who work with their scholars. During this contact, we communicate their scholar's progress, areas of growth and areas of concern. We regularly evaluate changes in service depending on scholar progress, and</p> | <p>SBCCS will continue to reflect upon its support of its At-Risk population, including their families, and improve upon its practices. service providers maintain at least monthly contact with parents. We frequently send home enrichment activities for scholars in areas we have identified for growth. Parents are provided with staff members' contact information and an open door policy is strongly communicated.

When a scholar is struggling, we invite parents in to observe and work as a team to determine how to better support the scholar. We also see it as our role to educate parents about their scholar's needs. For scholars with disabilities, we work with the CSE and the parent to determine the appropriate setting. If we do not have a setting that is identified as appropriate for the scholar, we supplement our current services to ensure the scholar continues to make progress, and we also accompany parents when looking at alternate placements, if they wish to move to a different setting. In our communication with parents, we emphasize a commitment to each scholar's growth through whatever resources we have available. In 2016-2017, we began looking into expanding our current services to include more restrictive settings, special education focused parent groups, bilingual resources to support academics, and ongoing teacher development to support this population of students. We have found great success with these initiatives in the past years. We revised our internal referral process (see SST Referral Process below) for students who are not performing on average with respect to their peers. As part of this revised process, we were able to

expedite the referral process to allow for more scholars to be identified for services as well as getting them those services sooner through our collaboration with the Committee on Special Education (CSE). We worked to improve instructional coaching for Special Education teachers as well as improving the efficacy of our SETSS curriculum. We continue to revisit and refine our referral process to make sure staff are consistently prioritizing students who met the data requirements necessary for an SST referral.

Temporary Housing:

The counseling team gets a list each year of identified families living in temporary housing. We are then able to offer these families school supplies, uniforms, school shoes, wintercoats, and any other requested items. The counseling team reaches out to these families 3 times a year to ensure they have everything they need. In addition to these processes we also have supported families with the purchase of uniforms and provide access to free meals and bussing, all school supplies are provided by us for each scholar.

Entry 7 – Employee Fingerprint Requirements Attestation

Completed - Jul 1 2026

Instructions

Required of ALL Charter Schools

Review and complete the Employee Fingerprint Requirements Attestation.

Entry 7 – Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools MUST ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to making an offer of employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee.

Please note that all schools should maintain an electronic or hard copy of the clearance certification pulled from TEACH and dated **PRIOR** to the employee's start date. Clearance certifications pulled from TEACH at a later date will show that the staff member was cleared as of that date and may result in a finding of clearance violations against the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at [NYSED CSO Employee Clearance and Fingerprint Memo](#) or visit the NYSED website at [Who Must Be Fingerprinted Charts](#) for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates **automatically** once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo](#).

Entry 9 – School Calendars

Completed - Jul 1 2026

Instructions

Required of ALL Charter Schools

Charter schools must upload final **2025-2026 and 2026-2027** calendars into the portal **no later than 11:59 PM on August 3, 2026**. The calendars must be separate files.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools "... *unless the school's charter requires more instructional time than is required under the regulations.*"

Board of Regents-authorized charter schools are also required to submit **school calendars** that clearly indicate the **start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month.** Schools must use a calendar format and ensure there is a monthly tally of instructional days.

Charter schools serving elementary and secondary levels may submit one combined calendar showing instructional hours and days for all building levels OR separate calendars uploaded as one PDF. *Note that school calendars will also provide evidence of alignment for schools with extended days/years referenced in their mission statements or key design elements.*

See below for an example of a calendar showing the requested information.

Entry 10 – Faculty/Staff Roster Template

Completed - Jul 1 2026

[INSTRUCTIONS](#)

Required of Regents, NYCDOE, and Buffalo BOE-Authorized Charter Schools ONLY

Please click on the MS Excel [Faculty/Staff Roster Template](#) and provide the following information for **all** instructional and non-instructional employees, which should include all faculty and staff employed by the school at any point during the 2025-2026 school year.

Use of the 2025-2026 Annual Report Faculty/Staff Roster Template is required. With the exception of the optional Notes section, completion of each of the data elements is required. When provided, use of the drop-down list options is also required. Failure to adhere to the guidelines and validations in the Faculty/Staff Roster Template will result in the need for resubmission of a fully corrected roster.

Reminders: (1) Verify that the correct TEACH ID is entered in the roster. Incorrect data entry may result in findings of non-compliance for the school in the areas of teacher certification and clearance. (2) Use the Notes section to add any additional information deemed necessary, such as a name change that may impact verification of certification. (3) Ensure that staff roles (i.e., teacher, school leader, etc.) are accurately identified.

See below for a complete list of data elements in the roster template and an explanation of what information is required to correctly complete this task.

| Roster Data Elements | Explanations |
